**Note:** This list is provided for informational purposes only and is not inclusive of all recycling vendors/facilities in the region. It is the responsibility of the project applicant to select a vendor/facility to recycle the types of construction and demolition (C&D) materials to be generated by their construction activity. Upon project completion, project applicants are required to submit to the City receipts from the vendor/facility used to recycle C&D materials. Project applicants requiring assistance on the selection of a recycling vendor facility may contact the City at (562) 904-7103.
